THIS IS STRICTLY A GUIDE - *With a complete flush and fill. **Always refer to the vehicle manufacturer owner's or service manual for the recommended change intervals, cooling system capacity, and specific cooling system service instructions. †Fluid guaranteed for the life of your vehicle: This product is guaranteed for 15+ years/up to 350,000 miles of vehicle life under normal driving conditions when a complete cooling system flush and fill is performed, and proper cooling system maintenance is followed. Always follow vehicle owner's manual for top off requirements, change intervals and specified maintenance. ††Based on US DOT national avg. miles driven in 2019. The average number of miles driven in 2019 was 14,664 miles. 350,000 miles/14,664 miles per year = 23.9 years. Prestone.com or 1-888-269-0750 for all guarantee requirements and limitations. VS

†Prestone® All Vehicles Antifreeze + Coolant meets Ford Motor Company's newest coolant specification WSS-M97B57-A1 (concentrate) and WSS-M97B57-A2 (50/50 pre-dilute). Prestone® North American Vehicle Antifreeze + Coolant is also fully compatible with Ford's newest coolant specifications. Prestone® American Vehicles (Orange) Antifreeze + Coolant is compatible with DEX-COOL® Antifreeze + Coolant and works with all other fluid colors. This chart is a guide based on industry research. Check your owners manual specific to Antifreeze+Coolant. Changes in data/discrepancies and formulas may occur. Prestone.com or 1-888-269-0750 for requirements and limitations. ††Against engine-damaging rust and corrosion vs. the top Branded All Vehicle and Vehicle Specific Antifreeze + Coolants sold in the US (assumes retail unit sales from September 2020 to August 2021 per NPD tracking data). DEX-COOL® is a registered trademark of General Motors LLC, used under license.

Prestone Patented technology for All Vehicles, Asian (red, blue, green fluids) and American (orange fluid). European formulas use different technology and not represented in this graphic.
